### **Domestic Medium Term Note Programme**

---

On 9 February 2012, Premium Properties Limited (the **Issuer**) established a ZAR1,000,000,000 Domestic Medium Term Note Programme (the **Previous Programme**) pursuant to a programme memorandum dated 9 February 2012 (the **Previous Programme Memorandum**). The Issuer now wishes to amend and restate the programme (as amended and restated, the **Programme**) pursuant to this amended and restated programme memorandum (this **Programme Memorandum**). Pursuant to this Programme Memorandum, the Issuer may from time to time issue notes (the **Notes**), which expression shall include Senior Notes and Subordinated Notes (each as defined herein) denominated in any currency agreed by the Issuer and the relevant Dealer(s) (as defined herein) and further subject to all applicable laws and, in the case of Notes listed on the Interest Rate Market of the JSE (as defined herein) or such other Financial Exchange(s) (as defined herein) as may be determined by the Issuer and the relevant authority, the debt listing requirements of the JSE Limited (the **JSE**) or such other Financial Exchange(s), that are subject to the terms and conditions (the **Terms and Conditions**) contained in this Programme Memorandum. The Previous Programme Memorandum will continue to apply to any previously issued Notes and this Programme Memorandum will apply to any Notes issued on or after 23 February 2015 (the **Programme Date**). Any other terms and conditions not contained in the Terms and Conditions that are applicable to any Notes, replacing or modifying the Terms and Conditions, will be set forth in a pricing supplement (the **Applicable Pricing Supplement**).

Capitalised terms used in this Programme Memorandum (as defined herein) are defined in the section of this Programme Memorandum headed "Terms and Conditions of the Notes", unless separately defined, and/or in relation to a Tranche of Notes, in the Applicable Pricing Supplement.

As at the Programme Date (as defined herein), the Programme Amount is ZAR3,000,000,000. This Programme Memorandum will apply to the Notes issued under the Programme in an aggregate outstanding Nominal Amount (including Notes issued under the Programme pursuant to the Previous Programme Memorandum) which will not exceed ZAR3,000,000,000 unless such amount is increased by the Issuer pursuant to the section of this Programme Memorandum headed "General Description of the Programme".

Octodec Investments Limited (the **Guarantor**), irrevocably and unconditionally guarantee the holders of the Notes (the **Noteholders**) the due and punctual performance of all obligations arising under the Programme pursuant to this Programme Memorandum which the Issuer may incur to the Noteholders and the payment of all amounts owing by the Issuer in respect of the Notes arising under the Programme pursuant to this Programme Memorandum.

The Notes may comprise, without limitation, Fixed Rate Notes, Floating Rate Notes, Mixed Rate Notes, Index-linked Notes, Zero Coupon Notes and/or such combination of the foregoing Notes and/or such other type of Notes as may be determined by the Issuer and the relevant Dealer(s) and specified in the Applicable Pricing Supplement. Notes will be issued in individual Tranches which, together with other Tranches, may form a Series of Notes. A Tranche of Notes will be issued on, and subject to, the Terms and Conditions, as replaced, amended and/or supplemented by the terms and conditions of that Tranche of Notes set out in the Applicable Pricing Supplement.

This Programme Memorandum has been approved by the JSE. A Tranche of Notes may be listed on the Interest Rate Market of the JSE or on such other or additional Financial Exchange(s) as may be determined by the Issuer, subject to all applicable laws. Unlisted Notes may also be issued under the Programme. Claims against the BESA Guarantee Fund Trust may only be made in respect of the trading of Notes listed on the Interest Rate Market of the JSE in accordance with the rules of the BESA Guarantee Fund Trust. The holders of Notes that are not listed on the Interest Rate Market of the JSE will have no recourse against the JSE or the BESA Guarantee Fund Trust. Unlisted Notes are not regulated by the JSE. A copy of the Applicable Pricing Supplement relating to a Tranche of Notes which is to be listed on the Interest Rate Market of the JSE will be delivered to the JSE and the CSD, before the Issue Date, and the Notes in that Tranche may be traded by or through members of the JSE from the date specified in the Applicable Pricing Supplement, in accordance with the Applicable Procedures. The settlement of trades on the JSE will take place in accordance with the electronic settlement procedures of the JSE and the CSD for all trades done through the JSE. The placement of a Tranche of unlisted Notes may (at the sole discretion of the Issuer) be reported through the JSE reporting system, in which event the settlement of trades in such Notes will take place in accordance with the electronic settlement procedures of the JSE and the CSD for all trades done through the JSE. The settlement and redemption procedures for a Tranche of Notes listed on any Financial Exchange (other than or in addition to the JSE) will be specified in the Applicable Pricing Supplement.

The Notes may be issued on a continuing basis and be placed by one or more of the Dealers specified under the section headed "Summary of Programme" and any additional Dealer appointed under the Programme from time to time by the Issuer, which appointment may be for a specific issue or on an ongoing basis. References in this Programme Memorandum to the "relevant Dealer" shall, in the case of Notes being (or intended to be) placed by more than one Dealer, be to all Dealers agreeing to place such Notes.

As at the Programme Date, the Issuer and the Guarantor are rated. The Programme and a Tranche of Notes may also, before the Issue Date, be rated by a Rating Agency on a national scale or global scale basis. Unrated Tranches of Notes may also be issued. The Rating assigned to the Issuer and/or the Programme and/or the Notes, as the case may be, as well as the Rating Agency(ies) which assigned such Rating(s), will be specified in the Applicable Pricing Supplement.

Each person contemplating the subscription for, or purchase of, any Notes should determine for itself the relevance of the information contained in this Programme Memorandum and should make its own

However, there may be no obligation on the Stabilising Manager (or any agent of the Stabilising Manager) to do this. Such stabilising, if commenced, may be discontinued at any time and must be brought to an end after a limited period. ## GENERAL DESCRIPTION OF THE PROGRAMME

---

*Capitalised words used in this section headed “General Description of the Programme” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.*

The Issuer may from time to time issue one or more Tranches of Notes under the Programme, pursuant to this Programme Memorandum, provided that the aggregate outstanding Nominal Amount of all of the Notes issued under the Programme (including Notes issued under the Programme pursuant to the Previous Programme Memorandum) from time to time does not exceed the Programme Amount. The Applicable Pricing Supplement in relation to any Tranche of Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the Terms and Conditions set out in this Programme Memorandum, replace or modify such Terms and Conditions for the purpose of such Tranche of Notes. Each Note will be a Senior Note or a Subordinated Note, as indicated in the Applicable Pricing Supplement.

A Tranche of Notes may be listed on the Interest Rate Market of the JSE or on such other or additional Financial Exchange(s) as may be determined by the Issuer, subject to applicable laws. Unlisted Notes may also be issued under the Programme. The Applicable Pricing Supplement will specify whether or not a Tranche of Notes will be listed and, if so, on which Financial Exchange. If the Issuer issues a Tranche of unlisted Notes or a Tranche of Notes is listed on any Financial Exchange other than (or in addition to) the JSE, the Issuer will, by no later than the last day of the month of issue of that Tranche of Notes, inform the JSE in writing of the aggregate Nominal Amount and the Maturity Date (if any) of that Tranche of Notes.

This Programme Memorandum and any supplement will only be valid for the issue of Notes in an aggregate Nominal Amount which, when added to the aggregate Nominal Amount then outstanding of all the Notes previously or simultaneously issued under the Programme, does not exceed ZAR3,000,000,000 or its equivalent in other currencies. For the purpose of calculating the South African Rand equivalent of the aggregate Nominal Amount of the Notes issued under the Programme from time to time, the South African Rand equivalent of the Notes denominated in another Specified Currency (as specified in the Applicable Pricing Supplement) shall be determined as of the date of agreement to issue such Notes (the **Agreement Date**) on the basis of the spot rate for the sale of the South African Rand against the purchase of such Specified Currency in the South African foreign exchange market quoted by any leading bank selected by the Issuer on the Agreement Date (the **Conversion Rate**) and in respect of:

- (a) Zero Coupon Notes and other Notes, the Conversion Rate shall be applied to the net subscription proceeds received by the Issuer for the relevant issue; and
- (b) Partly-Paid Notes and Index-Linked Notes, the Conversion Rate shall be applied to the Nominal Amount regardless of the amount paid up on such Notes.

From time to time the Issuer may wish to increase the Programme Amount. Subject to the Applicable Procedures, all applicable laws and the Programme Agreement (as defined in the section headed “*Subscription and Sale*”), the Issuer may, without the consent of Noteholders, increase the Programme Amount by delivering a notice thereof to the Noteholders in accordance with Condition 19 (*Notices*) of the Terms and Conditions, and to the Guarantor, the Arranger, the Dealer(s), the JSE and the CSD. Upon such notice being given to the Noteholders and the conditions set out in the Programme Agreement to the exercise of this right having been met, all references in this Programme Memorandum (and each agreement, deed or document relating to the Programme and/or this Programme Memorandum) to the Programme Amount will be, and will be deemed to be, references to the increased Programme Amount set out in such notice.

As at the Programme Date, the Issuer and the Guarantor are rated. The Programme and a Tranche of Notes may also, before the Issue Date, be rated by a Rating Agency on a national scale or global scale basis. Unrated Tranches of Notes may also be issued. The Rating assigned to the Issuer and/or the Programme and/or the Notes, as the case may be, as well as the Rating Agency(ies) which assigned such Rating(s), will be specified in the Applicable Pricing Supplement. A Rating is not a recommendation to subscribe for, buy, sell or hold any Notes. A Rating of the Issuer and/or the Guarantor and/or the Programme and/or a Rating of a Tranche of Notes may be subject to revision, suspension or withdrawal at any time by the Rating Agency.

This Programme Memorandum will only apply to Notes issued under the Programme on or after the Programme Date.

A summary of the Programme and the Terms and Conditions appears below.

However, there may be no obligation on the Stabilising Manager (or any agent of the Stabilising Manager) to do this. The CSD will hold each Tranche of Notes subject to the Financial Markets Act and the Applicable Procedures. All amounts to be paid and all rights to be exercised in respect of Notes held in the CSD will be paid to and may be exercised only by the CSD’s Nominee for the holders of Beneficial Interests in such Notes.

The Participants are in turn required to maintain securities accounts for their clients. Beneficial Interests which are held by clients of Participants will be held indirectly through such Participants, and such Participants will hold such Beneficial Interests, on behalf of such clients, through the securities accounts maintained by such Participants for such clients. The clients of Participants may include the holders of Beneficial Interests in the Notes or their custodians. The clients of Participants, as the holders of Beneficial Interests or as custodians for such holders, may exercise their rights in respect of the Notes held by them in the CSD only through their Participants. Euroclear Bank S.A./N.V. as operator of the Euroclear System (**Euroclear**) and Clearstream Banking, société anonyme, (Clearstream Luxembourg) (**Clearstream**) may hold Notes through their Participant.

In relation to each person shown in the records of the CSD or the relevant Participant, as the case may be, as the holder of a Beneficial Interest in a particular outstanding Nominal Amount of Notes, a certificate or other document issued by the CSD or the relevant Participant, as the case may be, as to the outstanding Nominal Amount of such Notes standing to the account of any person shall be *prima facie* proof of such Beneficial Interest. ## 9. INTEREST

### 9.1. Fixed Rate Notes

- 9.1.1. Each Fixed Rate Note bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement at the rate(s) per annum equal to the Fixed Rate of Interest so specified, payable in arrears on the Fixed Interest Payment Dates in each year up to and including the Maturity Date.
- 9.1.2. The first payment of interest will be made on the Fixed Interest Payment Date next following the Interest Commencement Date.
- 9.1.3. Except as provided in the Applicable Pricing Supplement, the amount of interest payable per Note on each Fixed Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount, provided that:
- 9.1.3.1. if an Initial Broken Amount is specified in the Applicable Pricing Supplement, then the first Interest Amount shall equal the Initial Broken Amount specified in the Applicable Pricing Supplement; and
- 9.1.3.2. if a Final Broken Amount is specified in the Applicable Pricing Supplement, then the final Interest Amount shall equal the Final Broken Amount.
- 9.1.4. If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Fixed Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, as specified in the Applicable Pricing Supplement, and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half such Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

### 9.2. Floating Rate Notes and Indexed Interest Notes

#### *Interest Payment Dates*

Each Floating Rate Note and Indexed Interest Note bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement, and such interest will be payable in arrears on the Interest Payment Date(s) in each year specified in the Applicable Pricing Supplement. Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

#### *Rate of Interest*

The Rate of Interest payable from time to time in respect of the Floating Rate Notes and Indexed Interest Notes will be determined in the manner specified in the Applicable Pricing Supplement.

#### *Minimum and/or Maximum Rate of Interest*

If the Applicable Pricing Supplement specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest. If the Applicable Pricing Supplement specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

#### *Determination of Rate of Interest and Calculation of Interest Amount*

The Calculation Agent, in the case of Floating Rate Notes and Indexed Interest Notes will at, or as soon as is practicable after, each time at which the Rate of Interest is to be determined, determine the Rate of Interest and calculate the Interest Amount payable in

respect of each Floating Rate Note and Indexed Interest Note in respect of each Specified Denomination for the relevant Interest Period, and the Calculation Agent shall notify the Issuer of the Rate of Interest for the relevant Interest Period as soon as is practicable after calculating the same. Each Interest Amount shall be calculated by applying the Rate of Interest to the Specified Denomination, multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half a Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

*Interest Determination, Screen Rate Determination including Fallback Provisions*

Where ISDA Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any). For the purposes of this sub-paragraph, "**ISDA Rate**" for an Interest Period means a rate equal to the Floating Rate that would be determined by such agent as is specified in the Applicable Pricing Supplement under an interest rate swap transaction if that agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the most recent ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the Applicable Pricing Supplement;
- (b) the Designated Maturity is the period specified in the Applicable Pricing Supplement; and
- (c) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on ZAR-JIBAR-SAFEX, the first day of that Interest Period; or (ii) in any other case, as specified in the Applicable Pricing Supplement.

For the purposes of the above sub-paragraph **Floating Rate, Floating Rate Option, Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions specified in the Applicable Pricing Supplement.

Where Screen Rate Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject to the provisions below, be either:

- (a) if the Relevant Screen Page is available:
  - (i) the offered quotation (if only one quotation appears on the Relevant Screen Page); or
  - (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage per annum) for the Reference Rate which appears on the Relevant Screen Page as at 11h00 (or as otherwise specified in the Applicable Pricing Supplement) (Johannesburg time) on the Interest Determination Date in question plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any), all as determined by the Calculation Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations; or

- (b) if the Relevant Screen Page is not available or if, in the case of (a)(i) above, no such offered quotation appears or, in the case of (a)(ii) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph, the Calculation Agent shall request the principal Johannesburg office of each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11h00 (Johannesburg time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being

rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent; or

- (c) if the Rate of Interest cannot be determined by applying the provisions of (a) and (b) above, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks offered, at approximately 11h00 (Johannesburg time) on the relevant Interest Determination Date, deposits in an amount approximately equal to the nominal amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate to prime banks in the Johannesburg inter-bank market plus or minus (as appropriate) the Margin (if any). If fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the Rate of Interest for the relevant Interest Period will be determined by the Calculation Agent as the arithmetic mean (rounded as provided above) of the rates for deposits in an amount approximately equal to the Nominal Amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate, quoted at approximately 11h00 (Johannesburg time) on the relevant Interest Determination Date, by the Reference Banks plus or minus (as appropriate) the Margin (if any). If the Rate of Interest cannot be determined in accordance with the foregoing provisions of this Condition, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the Applicable Pricing Supplement as being other than ZAR-JIBAR-SAFEX, the Rate of Interest in respect of such Notes will be determined as provided in the Applicable Pricing Supplement.

#### *Notification of Rate of Interest and Interest Amount*

The Issuer will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the JSE and the CSD and/or every other relevant exchange or authority as soon as possible after their determination. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to the JSE, the CSD and/or every other relevant exchange or authority and to the Noteholders in accordance with Condition 19 (*Notices*).

#### *Certificates to be Final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 9.2, by the Calculation Agent shall (in the absence of wilful deceit, bad faith, manifest or proven error) be binding on the Issuer and all Noteholders and in the absence as aforesaid no liability to the Issuer or the Noteholders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

### **9.3. Dual Currency Interest Notes**

In the case of Dual Currency Interest Notes, the Interest Rate or Interest Amount payable shall be determined in the manner specified in the Applicable Pricing Supplement.

### **9.4. Mixed Rate Notes**

The Interest Rate payable from time to time on Mixed Rate Notes shall be the Interest Rate payable on the form of interest-bearing Note (be it a Fixed Rate Note, Floating Rate Note, Index-Linked Note or Dual Currency Note) specified for each respective period, each as specified in the Applicable Pricing Supplement. During each such applicable period, the

Interest Rate on the Mixed Rate Notes shall be determined and fall due for payment on the basis that such Mixed Rate Notes are Fixed Rate Notes, Floating Rate Notes, Index-Linked Notes or Dual Currency Notes, as the case may be.

9.5. **Accrual of Interest**

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date of its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue at the Default Rate specified in the Applicable Pricing Supplement until the date on which all amounts due in respect of such Note have been paid, or, in respect of uncertificated Notes, the date on which the full amount of the money payable has been received by the CSD and/or the Participants and notice to that effect has been given to Noteholders in accordance with Condition 19 (*Notices*).

9.6. **Business Day Convention**

If any Interest Payment Date (or other date), which is specified in the Applicable Pricing Supplement to be subject to adjustment in accordance with a Business Day Convention, would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is:

- (a) the **Floating Rate Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event: (i) such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day and (ii) each subsequent Interest Payment Date (or other date) shall be the last Business Day in the month which falls the number of months, or other period specified as the Interest Period in the Applicable Pricing Supplement, after the preceding applicable Interest Payment Date (or other date) has occurred; or
- (b) the **Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
- (c) the **Modified Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other such date) shall be brought forward to the first preceding Business Day; or
- (d) the **Preceding Business Day Convention**, such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day.

10. **PAYMENTS**

10.1. **General**

Payments of principal and/or interest on an Individual Certificate shall be made to the registered holder of such Note, as set forth in the Register on the close of business on the Last Day to Register (as specified in the Applicable Pricing Supplement). In addition to the above, in the case of a final redemption payment, the holder of the Individual Certificate shall be required, on or before the Last Day to Register prior to the Maturity Date, to surrender such Individual Certificate at the offices of the Transfer Agent.

Payments of principal and/or interest in respect of uncertificated Notes shall be made to the CSD, in the name of, and for the account of, the CSD's Nominees and/or the Participants, as shown in the Register on the Last Day to Register, and the Issuer will be discharged of its payment obligations by proper payment to the CSD in the name of, and for the account of, the CSD's Nominee and/or the Participants, in respect of each amount so paid. Each of the persons shown in the records of the CSD and the Participants, as the case may be, shall look solely to the CSD or the Participant, as the case may be, for his share of each payment so made by the Issuer to the registered holder of such uncertificated Notes.

10.2. **Method of Payment**

Payments will be made in the Specified Currency by credit or transfer, by means of electronic settlement, to the Noteholder.

Payments will be subject in all cases to any fiscal or other laws, directives and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 12 (*Taxation*).

If the Issuer is prevented or restricted directly or indirectly from making any payment by electronic funds transfer in accordance with the preceding paragraph (whether by reason of strike, lockout, fire, explosion, floods, riot, war, accident, act of God, embargo, legislation, shortage of or breakdown in facilities, civil commotion, unrest or disturbances, cessation of labour, Government interference or control or any other cause or contingency beyond the control of the Issuer), the Issuer shall make such payment by cheque marked “*not transferable*” (or by such number of cheques as may be required in accordance with applicable banking law and practice to make payment of any such amounts). Such payments by cheque shall be sent by post to the address of the Noteholder as set forth in the Register or, in the case of joint Noteholders, the address set forth in the Register of that one of them who is first named in the Register in respect of that Note.

Each such cheque shall be made payable to the relevant Noteholder or, in the case of joint Noteholders, the first one of them named in the Register. Cheques may be posted by ordinary post, provided that neither the Issuer, nor the Paying Agent shall be responsible for any loss in transmission and the postal authorities shall be deemed to be the agent of the Noteholders for the purposes of all cheques posted in terms of this Condition 10.2.

In the case of joint Noteholders, payment by electronic funds transfer will be made to the account of the Noteholder first named in the Register. Payment by electronic transfer to the Noteholder first named in the Register shall discharge the Issuer of its relevant payment obligations under the Notes.

Payment will be subject in all cases to any fiscal or other laws, directives and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 12 (*Taxation*).

### 10.3. **Payment Day**

If the date for payment of any amount in respect of any Note is not a Business Day, subject to the applicable Business Day Convention, the holder thereof shall not be entitled to payment until the next following Business Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay.

### 10.4. **Interpretation of Principal and Interest**

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 12 (*Taxation*).

## 11. REDEMPTION AND PURCHASE

### 11.1. Redemption at Maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer in the Specified Currency at its Final Redemption Amount specified in, or determined in the manner specified in, the Applicable Pricing Supplement on the Maturity Date.

### 11.2. Redemption for Tax Reasons

Notes may be redeemed at the option of the Issuer at any time (in the case of Notes other than Floating Rate Notes, Indexed Interest Notes or Mixed Rate Notes having an Interest Rate then determined on a floating or indexed basis) or on any Interest Payment Date (in the case of Floating Rate Notes, Indexed Interest Notes or Mixed Rate Notes), on giving not less than 30 (thirty) nor more than 60 (sixty) days' notice to the Noteholders prior to such redemption, in accordance with Condition 19 (*Notices*) (which notice shall be irrevocable), if the Issuer, immediately prior to the giving of such notice, is of the reasonable opinion that:

11.2.1. as a result of any change in, or amendment to, the laws or regulations of South Africa or any political sub-division of, or any authority in, or of, South Africa having power to tax, or any change or amendment which becomes effective after the relevant Issue Date, the Issuer is or would be required to pay additional amounts as provided or referred to in Condition 12 (*Taxation*); and

11.2.2. the requirement and/or adverse effect cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 (ninety) days prior to the earliest date on which the Issuer would be obliged to pay or may become subject to the payment of such additional amounts were a payment in respect of the Notes then due. Notes may be redeemed by the Issuer in accordance with this Condition 11.2 (*Redemption for Tax Reasons*) in whole or in part. A redemption in part may be effected by the Issuer:

11.2.2.1. notwithstanding that such partial redemption may not entirely avoid such obligation to pay additional amounts as provided for or referred to in Condition 12 (*Taxation*); and

11.2.2.2. *mutatis mutandis* in the manner described in Condition 11.3 (*Redemption at the Option of the Issuer*), provided that the references to the giving of notice therein and to the Minimum Redemption Amount and the Higher Redemption Amount (both as specified in the Applicable Pricing Supplement) therein shall be disregarded for such purposes.

From the date of publication of the notice to Noteholders of the redemption referred to in Condition 11.2 (*Redemption for Tax Reasons*) above, the Issuer shall deliver to the Transfer Agent and the Paying Agent at their Specified Offices, for inspection by the relevant Noteholders (i) a certificate signed by two authorised signatories of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer to effect such redemption have occurred and (ii) a copy of a legal opinion from independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

Notes redeemed for tax reasons pursuant to this Condition 11.2 (*Redemption for Tax Reasons*) will be redeemed at their Early Redemption Amount referred to in Condition 11.4 (*Redemption at the Option of the Senior Noteholders*), together (if appropriate) with interest accrued from (and including) the immediately preceding Interest Payment Date to (but excluding) the date of redemption or as specified in the Applicable Pricing Supplement.

### 11.3. Redemption at the Option of the Issuer

If the Issuer is specified in the Applicable Pricing Supplement as having an option to redeem, the Issuer may, having given not less than 30 (thirty) days nor more than 60 (sixty) days' irrevocable notice to the Noteholders in accordance with Condition 19 (*Notices*) or unless otherwise specified in the Applicable Pricing Supplement, redeem all or some of the Notes (to which such Applicable Pricing Supplement relates) then Outstanding on the

Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the Applicable Pricing Supplement, together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

Any such redemption must be of a Nominal Amount equal to the Minimum Redemption Amount or a Higher Redemption Amount, both as indicated in the Applicable Pricing Supplement.

In the case of a partial redemption of Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot, in the case of Redeemed Notes represented by Individual Certificates, and in accordance with the Applicable Procedures in the case of Redeemed Notes which are uncertificated, and in each case not more than 30 (thirty) days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**).

In the case of Redeemed Notes represented by Individual Certificates, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 19 (*Notices*) not less than 15 (fifteen) days prior to the date fixed for redemption. The aggregate Nominal Amount of Redeemed Notes represented by Individual Certificates shall bear the same proportion to the aggregate Nominal Amount of all Redeemed Notes as the aggregate Nominal Amount of Individual Certificates outstanding bears to the aggregate Nominal Amount of the Notes outstanding, in each case on the Selection Date, provided that such first mentioned Nominal Amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination and the aggregate Nominal Amount of Redeemed Notes which are uncertificated shall be equal to the balance of the Redeemed Notes. No exchange of the relevant uncertificated Notes will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph, and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 19 (*Notices*) at least 10 (ten) days prior to the Selection Date.

Holders of Redeemed Notes shall surrender the Individual Certificates, if any, representing the Notes in accordance with the provisions of the notice given to them by the Issuer as contemplated above. Where only a portion of the Notes represented by such Individual Certificates are redeemed, the Transfer Agent shall deliver new Individual Certificates to the Noteholders, as the case may be, in respect of the balance of the Notes.

#### 11.4. **Redemption at the Option of the Senior Noteholders**

If Senior Noteholders are specified in the Applicable Pricing Supplement as having an option to request the redemption of Senior Notes, such Senior Noteholders may exercise such option in respect of such Senior Notes by delivering to the Transfer Agent, in accordance with Condition 19 (*Notices*), a duly executed notice (**Put Notice**), at least 30 (thirty) days but not more than 60 (sixty) days, prior to the Optional Redemption Date.

For redemption in part, the redemption amount specified in such Put Notice in respect of any such Senior Note must be of a principal amount equal to or greater than the Minimum Redemption Amount or equal to or less than the Higher Redemption Amount, each as indicated in the Applicable Pricing Supplement.

The redemption by the Senior Noteholders of uncertificated Senior Notes shall take place in accordance with the Applicable Procedures.

The Issuer shall proceed to redeem the Senior Notes in respect of which such option has been exercised in accordance with the terms of the Applicable Pricing Supplement, at the Optional Redemption Amount and on the Optional Redemption Date, together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

In the event that the redeeming Senior Noteholder is the holder of an Individual Certificate, then such Senior Noteholder shall (attached to the Put Notice) deliver the Individual Certificate to the Transfer Agent for cancellation. A holder of an Individual Certificate shall, in that holder's Put Notice, specify a bank account into which the redemption payment amount is to be paid.

The delivery of Put Notices shall be required to take place during normal office hours to the Issuer and Transfer Agent. Put Notices shall be available for inspection at the specified offices of the Transfer Agent.

Any Put Notice given by a holder of any Senior Note pursuant to this paragraph shall be irrevocable except where after giving the notice but prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such Senior Noteholder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Senior Note forthwith due and payable pursuant to Condition 17 (*Events of Default*).

The Issuer shall have no liability to remedy any defects in any Put Notice or bring any such defects to the attention of any Noteholder.

#### 11.5. **Redemption in the event of a Change of Control**

The provisions of this Condition 11.5 (*Redemption in the event of a Change of Control*) shall apply if specified as applicable in the Applicable Pricing Supplement.

  - (B) if, at the time the Change of Control occurs, the Issuer and/or the Guarantor and/or the Programme and/or the Notes, as the case may be, are not so rated, a Negative Rating Event occurs.

11.5.2. Promptly upon the Issuer becoming aware that a Change of Control Event has occurred, the Issuer shall give a notice to the Noteholders in accordance with Condition 19 (*Notices*) specifying the nature of the Change of Control Event and the circumstances giving rise to it and the procedure for exercising the option contained in this Condition 11.5.2.

11.5.3. If a Change of Control Event occurs at any time while any Note remains Outstanding, then provided the Noteholders have:

- (i) in terms of Condition 19 (*Notices*) issued a notice to convene a meeting of Noteholders within 30 (thirty) days of the date on which the Negative Rating Event or Rating Downgrade occurred, as the case may be; and
- (ii) resolved in terms of Condition 21 (*Meetings of Noteholders*) by way of Extraordinary Resolution to require the redemption of the Notes of that Class of Noteholders in these circumstances,

the Issuer shall redeem all Notes held by that Class of Noteholders at its Early Redemption Amount together with accrued interest (if any) within 15 (fifteen) days of having received a written notice from that Class of Noteholders to redeem such Note.

11.5.4. Such option shall be exercisable by a Class of Noteholders by the delivery of a written notice (a **Change of Control Redemption Notice**) to the Issuer at its registered office within 60 (sixty) days after the occurrence of a Change of Control Event, unless prior to the delivery by that Noteholder of its Change of Control Redemption Notice the Issuer gives notice to redeem the Notes.

- 12.6. if such withholding or deduction arises through the exercise by revenue authorities of special powers in respect of tax defaulters; or
- 12.7. where the Noteholder is entitled to claim a tax reduction, credit or similar benefit in respect of such withholding or deduction in terms of the Noteholder's domestic tax laws or applicable double tax treaty, and such tax reduction, credit or similar benefit is actually

Condition 13.3 and Condition 15.2 (*Transfer of Notes represented by Individual Certificates*), may transfer such Notes. The Issuer and (if applicable) the CSD and the relevant Participant shall be entitled to retain any amount payable upon the Notes to which any person is so entitled until such person shall be registered as aforesaid or until such time such Notes are duly transferred.

#### 13.4. **Costs**

The costs and expenses of the printing, issue and delivery of each Individual Certificate and all taxes and governmental charges that may be imposed in relation to such Individual Certificate and/or the printing, issue and delivery of such Individual Certificate shall be borne by the holder of the Notes represented by that Individual Certificate. Separate costs and expenses relating to the provision of Individual Certificates and/or the transfer of Notes may be levied by other persons, such as a Participant, under the Applicable Procedures, and such costs and expenses shall not be borne by the Issuer. ## DESCRIPTION OF PREMIUM PROPERTIES LIMITED AND OCTODEC INVESTMENTS LIMITED

---

### INTRODUCTION

Premium Properties Limited (the **Issuer** or **Premium**) is a wholly owned subsidiary of Octodec Investments Limited (the **Guarantor** or **Octodec**).

Octodec is a REIT listed in the “*Real Estate Investment Trust*” sector of the JSE. Octodec was incorporated on 4 November 1956 and listed on the JSE in 1990. Premium was incorporated on 4 May 1994 and listed on the JSE in 1995. Octodec was granted REIT status by the JSE with effect from 1 September 2013.

Octodec and Premium each own 50% of the issued share capital of IPS Investments Proprietary Limited (**IPS**), an unlisted company that also derives its revenue predominantly from its property investments.

The asset management, property management and company secretarial functions of Octodec are contracted to City Property Management Proprietary Limited (**City Property**).

### BACKGROUND AND HISTORY

As at 31 August 2014:

- Octodec’s property portfolio comprised of 105 properties with a total gross leasable area (**GLA**) of 580 627 m<sup>2</sup> and a value of R3.5 billion; and
- Premium’s property portfolio comprised of 167 properties with a total GLA of 761 821m<sup>2</sup> and a value of R4.7 billion.

Both Octodec and Premium’s property CBD’s portfolios are predominantly made up of multi-tenanted buildings located in Pretoria and Johannesburg’s CBD’s and surrounding areas. Octodec’s property portfolio has historically had a larger exposure to retail assets as a result of its investments in Killarney Mall, Woodmead Value Mart and other shopping centres.

As at 31 August 2014, IPS’ property portfolio comprised of 48 properties with a total GLA of 321 070m<sup>2</sup> and a value of R1.9 billion.

Premium and Octodec entered into a transaction agreement, in terms of which Octodec made an offer to Premium unit holders to acquire all of the issued linked units in Premium it does not already own. The Premium Independent Board approved the acquisition of the linked units by way of a Scheme, in terms of section 114(1)(d) of the Companies Act, 2008.

Octodec acquired all of the Scheme Linked Units, in exchange for 119 055 519 Octodec Shares, based on the Swap Ratio of 88.5 Octodec Shares for every 100 linked units in issue.

With effect from 1 September 2014, Premium has become a wholly-owned subsidiary of Octodec and has since been delisted from the JSE.

Post the Proposed Transaction, the property portfolio of the Enlarged Octodec Group (**the Enlarged Octodec Group**) or (the Group) comprises of 328 properties, valued at approximately R10.9 billion with the following profile based on rental income per sector:

- Offices: 19,8%
- Retail: 31,7%
- Shopping centres: 10,6%
- Industrial: 11,0%
- Residential: 26,9%

In recent years, the profiles of Octodec and Premium’s property portfolios have become increasingly similar, with both companies having adopted similar strategies of concentrating on high growth areas such as the Johannesburg and Pretoria CBD’s.

The Enlarged Octodec Group has a significant residential property portfolio relative to other REITs that are listed on the JSE. Furthermore, the Enlarged Octodec Group has a market capitalisation in excess of R5.4 billion, which resulted in the inclusion of the Octodec Group in the FTSE/JSE SA Listed Property Index. The increased size of the Group is expected to attract interest from a wider group of investors, including tracker funds and international investors, and may result in increased liquidity and trading volumes, which could potentially result in a re-rating of the Octodec share price. Further, it is anticipated that the Enlarged Octodec Group's increased size and diversification may result in more advantageous funding rates and an improved credit rating being obtained, including the re-rating ascribed to the Programme, which the Enlarged Octodec Group should be able to capitalise on within a relatively short period of time post the transaction. This may ultimately result in lower funding costs for the Enlarged Octodec Group.

The Enlarged Octodec Group having improved access to debt and equity capital markets that could enhance the Group's current growth strategy and enable the Group to capitalise more easily on prevailing growth opportunities.

The merger with Octodec has resulted in cost savings from operating efficiencies as well as a reduction in the administrative costs of operating one listed company as opposed to two. These cost savings include, *inter alia*, a reduction in JSE fees, audit fees and disclosure and reporting requirements. Furthermore, the merger with Octodec has resulted in more efficient use of management's time through the reduction of the administrative burden of operating two separately listed entities.

To align Premium's financial year end to that of Octodec's, the Premium Board approved that Premium's financial year end be changed from 28 February to 31 August of each year, with effect from 31 August 2014

Ms Greeff has more than 19 years' experience as a company secretary and corporate lawyer and is actively involved in assisting the board in its governance initiatives. The board is satisfied that the representatives of City Property are appropriately qualified, competent and experienced to fulfil this function. As City Property is a related party and manages the Group's property and unlisted investment portfolios and over which influence is exercised by Mr JP Wapnick, an arm's length relationship between City Property and the board of directors has not been established.

### **MANAGEMENT STRATEGY**

The Group invests in the retail, residential, office and industrial property sectors in Gauteng and has over the past number of years enhanced the quality of the portfolio through selective redevelopments and upgrades. Octodec is a value investor focused on niche inner city properties largely in the Johannesburg and Pretoria CBD's. Octodec has a significant residential property portfolio situated in Gauteng.

### **RISK MANAGEMENT**

The ultimate responsibility for the governance of risk, including the tolerance and amelioration of risk, resides with the board of directors. A formal process of risk management has been implemented and a comprehensive risk register is in place to assist the board in setting risk limits and tolerance levels. The Group focuses its attention on analysing the risks which may impact its ability to deliver on its strategy in a sustainable manner.

Risk management is critical to the on-going success of the Group. The Group identifies risks that could adversely affect it. The board of directors has instructed the risk committee to design, implement and monitor the risk management plan to ensure that Octodec's risks are appropriately managed.

The Group has identified its major risks as those factors that could potentially affect the company's ability to create value in the short, medium and long term. We have approached risks also from the perspective of its stakeholders who are impacted by or who may affect the Group's ability to deliver on its strategy.

### **Risk Committee**

The role of the committee is to assist the board in ensuring that the Group has implemented an effective policy and plan for risk management that will enhance the Group's ability to achieve its strategic objectives. It is responsible for reviewing the Group's risk exposure and control systems, ensuring that risk policies and strategies are effectively managed. The committee is responsible for overseeing the development, effective implementation and annual review of the risk management plan and making recommendations to the board regarding the risk tolerance levels.

As at the Programme Date, the chief risk officer, Mr P Kruger, a director of City Property with many years' experience, with the assistance of the internal auditors, assists the committee in identifying risk areas, mitigating risks and implementing a risk management plan.

The committee has its own terms of reference outlining its purpose, composition, responsibilities and authority, which were reviewed and updated by the board during the year. In addition, a risk management policy and framework has been adopted during the year to provide an integrated framework so that risk management efforts within and throughout the Group are optimised. This aims to:

- provide a policy and framework within which the Group's management can operate to proactively embed the enterprise wide risk management process;
- inculcate an appropriate risk management culture within the Group;
- optimise the enterprises' risk management efforts; and
- Ensure that risk management arrangements are based on generally accepted risk management practices that enhance value for all stakeholders.

## **CORPORATE GOVERNANCE AND REGULATORY FRAMEWORK**

### **Application of King III within premium properties limited**

The board takes responsibility for the holistic application of the principles contained in the King Report on Governance and the King Code of Governance Principles for South Africa (**King III**) without diluting Octodec's focus on sustainable performance. The Issuer complies with King III, save for principle 2.15 on the basis that the board is apprised of the Issuer, the Guarantor and the Group as a whole at the interim and annual meetings and monitors the solvency and liquidity of Issuer on a regular basis, which enables the board to consider business rescue should the Issuer become financially distressed. A full report of the Issuer's compliance with each of the King III principles is available on the on the following link, <http://www.octodec.co.za/Userfiles/Files/Octodec%20King%20III%20compliance%20report.pdf>.

### **Board of directors**

The board is the highest governing authority of the Issuer. The board charter articulates the objectives and responsibilities of the board. Likewise, each of the board committees operates in accordance with written terms of reference, which are regularly reviewed by the board. The board takes ultimate responsibility for the Group's adherence to sound corporate governance standards and sees to it that all business decisions and judgements are made with reasonable care, skill and diligence. The board is committed to the highest principles of effective governance set out in King III. The board further accepts its responsibility to ensure the integrity of the integrated report. Controls are in place to verify and safeguard its integrity.

On 1 October 2013, Mr GH Kemp was appointed as an independent non-executive director. The board's composition is aligned with best practice and the requirements of King III. The board reviewed the previously approved board charter to align it with the recommendations of King III. The board charter compels directors to promote the vision of the Group, while upholding sound principles of corporate governance. The board charter sets out the primary functions of the board as:

- retaining full and effective control of the Group;

- reviewing and approving corporate strategy;
- approving and overseeing major capital expenditure, acquisitions and disposals;
- reviewing and approving annual budgets and business plans;
- monitoring operational performance and management;
- determining the Group's purpose and values;
- ensuring that the Group complies with sound codes of business behaviour;
- ensuring that appropriate control systems are in place for the proper management of risk, financial control and compliance with all laws and regulations;
- ensuring proper succession planning for executive management;
- regularly identifying and monitoring key risk areas and the management thereof; and
- overseeing the Group's disclosure and communication process.

The role of non-executive directors, who are independent of management, is to protect shareholders' interests, including those of minority shareholders. They are also intended to ensure that individual directors or groups of directors are subject to appropriate scrutiny in their decision-making.

To avoid conflicts of interest and in compliance with section 75 of the Companies Act, 2008, board members must disclose their interest in material contracts involving the Group. In addition, board members must recuse themselves from deliberations or the decision-making process relating to any matter in which such member may have a personal financial interest.

The daily management of the Group's affairs is the responsibility of the managing director. In addition to the annual work plan, an approvals framework is also in place, setting out the respective responsibilities and levels of authority of the board and executive management. The board is kept informed of all developments at the company, primarily through the executive directors.

The board meets as often as circumstances dictate, but at least four times a year. It aims to ensure that its structure, size, composition and effectiveness and its committees are maintained at levels that are appropriate in the context of the Group's strategy. During 2014, it convened seven times.

### **Board appointment and induction**

In terms of the MOI of the Issuer, the number of directors shall not be less than four and not more than 12. As at the Programme Date, the board comprised two non-executive directors, two executive directors and independent non-executive directors, who are free from any business or other relationships which could materially interfere with the exercise of their independent judgement. Advised by the nominations committee, the board ensures that the election of independent directors falls on reputable persons of well-known competence and experience, who are willing to devote a sufficient part of their time to Premium. Procedures for appointment to the board include background and reference checks. Appointments to the board are made in a formal and transparent manner and are a matter for deliberation by the nominations committee.

There are no fixed-term contracts for directors and the directors receive formal appointment letters. The appointment of new directors is confirmed by the shareholders at the first general meeting following their appointment. Any new appointees to the board undergo a formal induction programme with the objective of maximising their understanding of the Group, and enabling them to provide input and make well-informed decisions from inception. All directors are expected to remain informed and updated on how to best discharge their responsibilities as directors of the Group, including keeping abreast of relevant changes and trends in economic, political, social, financial and legal climates and governance practices. City Property provides training for directors, when required, and arranges property site visits.

### **Rotation and retirement from the board**

In terms of the Issuer's MOI, and to facilitate continuity of the board, one-third of the non-executive directors are subject to retirement by rotation and re-election by shareholders at the AGM each year. Directors retiring are those that have been in office longest since their last re-election and include directors appointed since the last AGM. The board, assisted by the nominations committee, recommends the eligibility of retiring directors (subject to availability and their contribution to the

business) for reappointment.

### **Performance Monitoring**

The chairman is appointed on an annual basis by the board, with the assistance of the nominations committee, after a rigorous review of the chairman's performance. The roles of the managing director and chairman are separate. In line with the recommendations of King III, the board carries out a rigorous evaluation of the independence of directors who have served on the board for nine years or more. The nominations committee will in future assess the independence of non-executive directors annually.

In addition, a comprehensive annual work plan was developed to help ensure the board discharged its duties in a structured manner. The work plans were approved by the board and board committees in 2014.

In line with the recommendations of King III, a detailed self-assessment of the performance of the board and its committees was conducted in 2014 and the results thereof were considered in order to identify areas for improvement. The assessments found the structures and processes governing the board and its committees were well established and functioning satisfactorily. It also found that the board had fulfilled its roles and responsibilities and had discharged its responsibility to the company, shareholders and other stakeholders in an exemplary manner. Action plans have been developed for the potential areas identified for improvement. The directors carried out an informal evaluation to establish whether they satisfy the objective independence criteria of King III. Messrs PJ Strydom, DP Cohen, GH Kemp are independent according to the King III definition.

Ms S Wapnick is not considered independent in terms of the King III definition by virtue of the fact that she has a representative shareholding in excess of 5%. In the circumstances and as per the recommendations of King III, the board appointed Mr DP Cohen as lead independent director on 13 December 2011. Mr MZ Pollack is also not considered independent in terms of the King III definition by virtue of his material shareholding.

### **Investment Committee**

A separate investment committee has been formed on 27 June 2014 as the mandate of the entire board previously included acquisitions, disposals, developments and finance. The main responsibility and duty of the Committee was to ensure that investments, disposals, acquisitions, major upgrades, developments and redevelopments were in line with the company's overall strategy.

### **Audit Committee**

Three directors are regarded as independent in terms of the King III definition. The fourth director, Mr MZ Pollack, who is not regarded as independent in terms of the King III definition, nonetheless has the necessary knowledge, skills and experience to effectively contribute to committee deliberations. The board is satisfied that the majority of members as proposed for approval by shareholders meet the definition of non-executive directors, acting independently, as defined in the Act.

The audit committee has updated, formal, board-approved terms of reference, which are intended to ensure compliance with both governance recommendations and statutory requirements. The board is satisfied that the committee has complied with these terms and with its legal and regulatory responsibilities as set out in the Act, King III and the JSE Listings Requirements.

The board believes that the members collectively possess the knowledge and experience to exercise oversight over the Group's financial management, internal and external auditors, the quality of the Group's financial controls, and the preparation and evaluation of the Group's financial statements and financial reporting. The board has established and maintains internal controls and procedures which are reviewed on a regular basis. These are designed to manage the risk of business failures and to provide reasonable assurance against such failures, but this is not a guarantee that such risks are eliminated.

It is the duty of this committee, among other things, to monitor and review:

- the effectiveness of the internal audit function;
- audit findings, audit reports and the appointment of external auditors;
- reports of both internal and external auditors;
- the evaluation of the performance of the financial director;

- the governance of information technology (IT) and the effectiveness of the company's information systems;
- quarterly and annual financial and operational reports, the interim and annual financial statements and all other widely distributed documents;
- accounting policies of the Group and proposed revisions;
- compliance with applicable legislation, and requirements of appropriate regulatory authorities;
- the integrity of the integrated report by ensuring that its content is reliable and recommending it to the board for approval;
- policies and procedures for preventing and detecting fraud; and
- performing any other functions as may be determined by the board.

The committee is responsible for facilitating the relationship with the external auditors and for monitoring the non-audit services provided by the external auditors. The external auditors have direct access to the chairman of the committee and attend all meetings of the committee, ensuring that auditors are able to maintain their independence. The chairman of the committee is expected to attend the AGM in order to answer any questions that shareholders may have, relevant to the committee's areas of responsibility. The committee is responsible for recommending the appointment of a firm of external auditors to the board, who in turn will recommend the appointment to the shareholders. The committee is also responsible for determining that the designated appointee has the necessary experience, qualifications and skills, and that the audit fee is adequate. The audit committee is satisfied that the external auditors, the respective audit partner and the outsourced internal audit department, KPMG, observed the highest level of business and professional ethics and independence. Rotation of the engagement partner responsible for the external audit happens every five years.

Committee members have unlimited access to all information, documents and explanations required for the discharge of their duties. This authority has been extended to internal and external auditors. The committee has, in addition to its other duties, also satisfied itself as to the appropriateness of the experience and expertise of the financial director, as required in terms of the JSE Listings Requirements.

The board is satisfied that the committee has been equipped to properly fulfil its duties going forward.

#### **Nominations Committee**

The committee's recently adopted terms of reference ensure that, for board appointments, a rigorous, fair and open nomination and appointment process is established which will promote meritocracy in the boardroom and support strong corporate performance.

The committee leads that process and makes recommendations to the board.

#### **Social, Ethics & Remuneration Committee**

The terms of reference of the committee have been approved by the board and the committee will schedule its meetings and operate going forward based on an agreed work plan. It is the responsibility of this committee to ensure, among other things, that:

- the company discharges its statutory duties in respect of section 72 of the Act dealing with the structure and composition of board committees;
- the company upholds the goals of the Organisation of Economic Co-operation and Development (OECD) recommendations regarding corruption;
- the company complies with the Employment Equity Act, 55 of 1998 (as amended);
- the company's directors and staff comply with the company's code of ethics;
- the company practices labour and employment policies that comply with the terms of the International Labour Organization (ILO) protocol on decent work and working conditions;
- the company ensures the continued training and skills development of its employees; and
- the company performs its responsibilities in respect of social and ethics matters in line with

relevant policies, and that these policies are reviewed on an annual basis, or as required.

### **Going Concern**

The annual financial statements have been prepared on the going concern basis since the directors have every reason to believe that the Group has adequate resources in place to continue operations for the foreseeable future.

### **Stakeholder Engagement**

Premium acknowledges its responsibility to protect the interests of all stakeholders. Our stakeholders include:

- Analysts
- Banks
- Communities
- City Property Administration (Pty) Ltd
- Employees
- Financial institutions
- Government and regulators
- Investors
- Special interest groups such as industry associations

- Shareholders

We believe that mutual trust and understanding is important to proper stakeholder communication. As a result, we use specific means of communication for each stakeholder group.

The accountability to stakeholders is of primary importance. Our philosophy encapsulates integrity, fair dealing, account-ability, objectivity and transparency.

We are aware that we cannot achieve our strategic objectives in isolation and that stakeholder engagement is crucial to our on-going success in delivering on these. The Group operates within a complex environment which is impacted by a combination of economic trends, and the influence of the broad spectrum of stakeholders who interact with the Group and its operations daily.

The reputation of the Group is based on stakeholder perception. Stakeholder issues are accordingly considered and dealt with appropriately. Positive stakeholder engagement and responsiveness is the driving force behind our actions.

### **Directors' Remuneration**

As the executive directors are paid by City Property, no remuneration is paid by the Group, other than directors' and committee fees, which are determined by the Board, on recommendation from the Social, Ethics and Remuneration committee. Independent external studies as well as industry comparisons are used to ensure that the Board and committee members are fairly remunerated. No non-executive or executive directors hold service contracts.

### **Code of Ethics**

The Group is committed to the highest ethical standards of business conduct. Our value system dictates that all employees maintain high standards of integrity and ethics when dealing with suppliers, tenants, business partners, government, other stakeholders and society at large.

The Group does not tolerate any form of corruption, unlawfulness or unethical business practices. It advocates confidentiality regarding employee and group information. The board recognises that good corporate governance is vital to The Group's sustainable growth. The directors are aware of the requirements of the Companies Act and King III and comply with these to the extent in the integrated report. The Group's corporate governance structures and procedures, and its code of ethics are

detailed in the corporate governance report.

We strive to create value for stakeholders by the on-going pursuit of operational efficiencies and a consistent focus on quality growth, proactive property management and prudent acquisitions which enable continued value creation for shareholders.

## **RECENT DEVELOPMENTS**

### **Conversion to a Real Estate Investment Trust**

Following the introduction of REIT legislation in South Africa last year, Octodec and Premium were granted Real Estate Investment Trust (**REIT**) status with effect from 1 September 2013 and 1 March 2014 respectively. The capital structure of Octodec, whereby the linked units were converted to an all-equity structure was approved at a shareholders and debenture holders meeting on 31 July 2014.

Under the new REIT legislation, capital gains on the Group's investment property and its investment in IPS will no longer be subject to capital gains taxation in respect of any disposal thereof.

### **Merger with Octodec**

Following the introduction of the REIT legislation and to simplify the corporate structure, Premium, Octodec, IPS and City Property entered into an agreement dated 28 October 2013, relating to the specific repurchase by IPS of City Property's share in IPS for a cash consideration of R127,5 million and the repayment of City Property's loan in IPS of R48,1 million (the **specific repurchase**). Following the specific repurchase, Premium and Octodec's shareholding in IPS was increased to 50% each. The IPS transaction was approved by Octodec linked unit holders on 6 December 2013. The proceeds of the specific repurchase were used by City Property to acquire 9 122 981 shares in Octodec.

As published on SENS on 10 June 2014, Octodec announced its firm intention to acquire all of the issued Premium linked units that it did not already own. It was proposed that a merger between Octodec and Premium be implemented by way of a scheme of arrangement in terms of section 114(1)(d) of the Companies Act (the **scheme**). In terms of the scheme, and subject to the fulfilment or waiver of various conditions precedent, including the approval of the scheme of arrangement by Premium unit holders, Octodec acquired Premium linked units for which each Premium unit holder received 88,5 Octodec shares for every 100 Premium linked units held by a Premium linked unit holder. Premium became a wholly owned subsidiary of Octodec and was delisted from the JSE with effect from 1 September 2014.

### **Rationale for the Merger**

In recent years, the profiles of Premium and Octodec's property portfolios have become increasingly similar, with both companies having adopted similar strategies of concentrating on high growth areas such as the Johannesburg and Pretoria CBDs. Given the complementary nature of the property portfolios and the various services that are shared by these companies, together with the conversion of both companies to REITs, the respective boards of Premium and Octodec believed it was the opportune time to implement the merger. The merger created the most significant residential property portfolio of any REIT that is listed on the JSE. Furthermore, the enlarged Octodec has a market capitalisation in excess of R6 billion.

A circular with full details of the scheme of arrangement and the subsequent delisting of Premium from the JSE was sent to Premium unit holders on 1 July 2014.

### **Corporate Governance and Sustainability**

The integrated report provides information on the financial and nonfinancial aspects of Issuer's and Guarantor's business.

The Group strives to provide a structure that works for the benefit of all stakeholders by ensuring adherence to acceptable ethical standards, best practices and legislative requirements. ## INVESTOR CONSIDERATIONS

---

*The Issuer believes that the factors outlined below may affect its ability to fulfil its obligations under the Notes. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring. In addition, factors which are material for the purpose of assessing the market risks associated with the Notes are also described below. The value of the Notes could decline due to any of these risks, and investors may lose some or all of their investment.*

*The Issuer believes that the factors described below represent the principal risks inherent in investing in the Notes, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons which may not be considered significant risks by the Issuer based on information currently available to it, or which it may not currently be able to anticipate. Accordingly, the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive.*

*Prospective investors should also read the detailed information set out elsewhere in this Programme Memorandum to reach their own views prior to making any investment decision.*

*References below to the “Terms and Conditions”, in relation to Notes, shall mean the “Terms and Conditions of the Notes” set out below and references to a numbered “Condition” shall be to the Terms and Condition under the relevant Terms and Conditions set out below. Capitalised terms used herein and not otherwise defined shall bear the meanings ascribed to them in the Terms and Conditions, except to the extent that they are separately defined in this section or it is clearly inappropriate from the context.*

### **Factors that may affect the Issuer’s ability to fulfil its obligations under Notes issued under the Programme**

#### **Risks Relating to the Notes**

##### ***The Notes may not be a suitable investment for all investors***

Each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Programme Memorandum or any applicable supplement;
- have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact such an investment will have on its overall investment portfolio;
- have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor’s currency;
- understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured and appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor’s overall investment portfolio.

### ***There is no active trading market for the Notes***

Notes issued under the Programme will be new securities which may not be widely distributed and for which there is currently no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. There is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

### ***The Notes may be redeemed prior to maturity***

Unless in the case of any particular Tranche of Notes the Applicable Pricing Supplement specifies otherwise, in the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the government of South Africa or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Notes in accordance with the Conditions.

In addition, if in the case of any particular Tranche of Notes the Applicable Pricing Supplement specifies that the Notes are redeemable at the Issuer's option in certain other circumstances, the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes.

### ***Because uncertificated Notes are held by or on behalf of the CSD, investors will have to rely on their procedures for transfer, payment and communication with the Issuer***

Notes issued under the Programme which are listed on the Interest Rate Market of the JSE or such other or additional Financial Exchange and/or immobilised in the CSD may, subject to applicable laws and the Applicable Procedures, be issued in uncertificated form. Unlisted Notes may also be lodged and immobilised in the CSD in uncertificated form. Notes held in the CSD will be issued, cleared and settled in accordance with the Applicable Procedures through the electronic settlement system of the CSD. Except in the limited circumstances described in the Terms and Conditions, investors will not be entitled to receive Individual Certificates. The CSD will maintain records of the Beneficial Interests in Notes and/or issued in uncertificated form, which are held in the CSD (whether such Notes are listed or unlisted). Investors will be able to trade their Beneficial Interests only through the CSD and in accordance with the Applicable Procedures.

Payments of principal and/or interest in respect of uncertificated Notes will be made to the CSD's Nominee and/or the Participants and the Issuer will discharge its payment obligations under the Notes by making payments to or to the order of the CSD's Nominee and/or the Participants for distribution to their account holders. A holder of a Beneficial Interest in uncertificated Notes, whether listed or unlisted, must rely on the procedures of the CSD to receive payments under the relevant Notes. Each investor shown in the records of the CSD and/or the Participants, as the case may be, shall look solely to the CSD or the Participant, as the case may be, for his share of each payment so made by the Issuer to the registered holder of such uncertificated Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, such Beneficial Interests.

Holders of Beneficial Interests in uncertificated Notes will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by the CSD to appoint appropriate proxies.

### ***Recourse to the BESA Guarantee Fund Trust***

The holders of Notes that are not listed on the Interest Rate Market of the JSE will have no recourse against the BESA Guarantee Fund Trust. Claims against the BESA Guarantee Fund Trust may only be made in respect of the trading of Notes listed on the Interest Rate Market of the JSE and in accordance with the rules of the BESA Guarantee Fund Trust. Unlisted notes are not regulated by the JSE.

### ***Credit Rating***

Tranches of Notes issued under the Programme, the Issuer and/or the Guarantor and/or the Programme, as the case may be, may be rated or unrated. A rating is not a recommendation to buy,

sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency. Any adverse change in an applicable credit rating could adversely affect the trading price for the Notes issued under the Programme.

### ***Risks related to the structure of the particular issue of Notes***

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain such features:

#### *Notes subject to optional redemption by the Issuer*

An optional redemption feature is likely to limit the market value of the Notes. During any period when the Issuer may elect to redeem the Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period. The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to re-invest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

#### *Index-Linked and Dual Currency Notes*

The Issuer may issue Notes the terms of which provide for interest or principal payable in respect of such Note to be determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a **Relevant Factor**) or with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- the market price of such Notes may be volatile;
- no interest may be payable on such Notes;
- payments of principal or interest on such Notes may occur at a different time or in a different currency than expected;
- the amount of principal payable at redemption may be less than the nominal amount of such Notes or even zero;
- a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable is likely to be magnified; and
- the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

#### *Partly-paid Notes*

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of its investment.

#### *Notes issued at a substantial discount or premium*

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

### **Variable Rate Notes with a multiplier or other leverage factor**

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

### **Fixed/Floating Rate Notes**

Fixed/Floating Rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate may at any time be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

### **Notes where denominations involve integral multiples: Individual Certificates**

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive an Individual Certificate in respect of such holding and would need to purchase a Nominal Amount of Notes such that its holding amounts to a minimum Specified Denomination.

If Individual Certificates are issued, holders should be aware that Individual Certificates which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

### **Modification and waivers and substitution**

The Conditions contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

### **Change of law**

The Notes are governed by, and will be construed in accordance with, South African law in effect as at the Programme Date. No assurance can be given as to the impact of any possible judicial decision or change to South African law or administrative practice in either such jurisdiction after the Programme Date.

### **Legal investment considerations may restrict certain investments**

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

### **Risks Relating to the Issuer**

The ultimate responsibility for the governance of risk, including the tolerance and amelioration of risk, resides with the board of directors.

A formal process of risk management has been implemented and a comprehensive risk register is in place to assist the board in setting risk limits and tolerance levels. Premium focuses its attention on analysing the risks which may impact its ability to deliver on its strategy in a sustainable manner. Risk management is critical to the on-going success of the Enlarged Octodec Group. The Enlarged Octodec Group identifies risks that could adversely affect it. The board of directors instructed the risk committee to design implement and monitor the risk management plan to ensure that The Enlarged Octodec Group's risks are appropriately managed. The Enlarged Octodec Group has identified its major risks as those factors that could potentially affect the company's ability to create value in the short, medium and long term. We have approached risks also from the perspective of its stakeholders who are impacted by or who may affect Octodec's ability to deliver on its strategy.

### Selling restrictions

#### South Africa

Each Dealer has (or will have) represented, warranted and agreed that it (i) will not offer Notes for subscription, (ii) will not solicit any offers for subscription for or sale of the Notes, and (iii) will itself not sell or offer the Notes in South Africa in contravention of the Companies Act, Banks Act, Exchange Control Regulations and/or any other Applicable Laws and regulations of South Africa in force from time to time.

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that it will not make an "offer to the public" (as such expression is defined in the Companies Act, and which expression includes any section of the public) of Notes (whether for subscription, purchase or sale) in South Africa. This Programme Memorandum does not, nor is it intended to, constitute a prospectus prepared and registered under the Companies Act.

#### *Offers not deemed to be offers to the public*

Offers for subscription for, or sale of, Notes are not deemed to be offers to the public if:

- (a) made only to certain investors contemplated in section 96(1)(a) of the Companies Act; or
- (b) the total contemplated acquisition cost of Notes, for any single addressee acting as principal, is equal to or greater than ZAR1,000,000, or such higher amount as may be promulgated by notice in the Government Gazette of South Africa pursuant to section 96(2)(a) of the Companies Act.

Information made available in this Programme Memorandum should not be considered as "advice" as defined in the Financial Advisory and Intermediary Services Act, 2002.

#### United States

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the **Securities Act**) and may not be offered or sold within the United States or to, or for the account of or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that:

- (a) the Notes in that Tranche have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account of or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act;
- (b) it has not offered, sold or delivered any Notes in that Tranche and will not offer, sell or deliver any Notes in that Tranche (i) as part of their distribution at any time or (ii) otherwise until 40 (forty) days after completion of the distribution, as determined and certified by the Dealer or, in the case of an issue of such Notes on a syndicated basis, the relevant Lead Manager, of all Notes of the Series of which that Tranche of Notes is a part, within the United States or to, or for the account or benefit of, U.S. persons;
- (c) it will send to each dealer to which it sells any Notes in that Tranche during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and

sales of such Notes within the United States or to, or for the account or benefit of, U.S. persons;  
and

- (d) it, its affiliates and any persons acting on its or any of its affiliates behalf have not engaged and will not engage in any directed selling efforts in the United States (as defined in Regulation S under the Securities Act) with respect to the Notes in that Tranche and it, its affiliates and any persons acting on its or any of its affiliates' behalf have complied and will comply with the offering restrictions requirements of Regulation S.

Until 40 (forty) days after the commencement of the offering of a Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an exemption from registration under the Securities Act.

### **European Economic Area**

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that, in relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each a **Relevant Member State**), with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**) it has not made and will not make an offer of any of such Notes to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of any of such Notes to the public in that Relevant Member State:

- (a) in the period beginning on the date of publication of a prospectus in relation to those Notes which has been approved by the competent authority in that Relevant Member State in accordance with the Prospectus Directive and/or, where appropriate, published in another Relevant Member State and notified to the competent authority in that Relevant Member State in accordance with Article 18 of the Prospectus Directive and ending on the date which is 12 (twelve) months after the date of such publication;
- (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (c) at any time to fewer than 100 or, if the relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal Persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances which do not require the publication by the Issuer of a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression an “*offer of Notes to the public*” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “*Prospectus Directive*” means Directive 2003/71/EC and amendments thereto including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State) and includes any relevant implementing measure in each Relevant Member State and the expression “*2010 PD Amending Directive*” means Directive 2010/73/EU.

### **United Kingdom**

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that:

- (a) in relation to any of the Notes in that Tranche which have a maturity of less than one year, (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (ii) it has not offered or sold and will not offer or sell any of such Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses

where the issue of such Notes would otherwise constitute a contravention of section 19 of the Financial Services and Markets Act, 2000 (the **FSMA**) by the Issuer;

- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any of the Notes in that Tranche in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any of the Notes in that Tranche in, from or otherwise involving the United Kingdom.

**General**

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to agree that:

- (a) it will (to the best of its knowledge and belief) comply with all applicable securities laws and regulations in force in each jurisdiction in which it purchases, subscribes or procures the subscription for, offers or sells Notes in that Tranche or has in its possession or distributes the Programme Memorandum and will obtain any consent, approval or permission required by it for the purchase, subscription, offer or sale by it of Notes in that Tranche under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, subscription, offers or sales; and
- (b) it will comply with such other or additional restrictions as the Issuer and such Dealer agree and as are set out in the Applicable Pricing Supplement.

Neither the Issuer nor any of the Dealer represent that Notes may at any time lawfully be subscribed for or sold in compliance with any applicable registration or other requirements in any jurisdiction or pursuant to any exemption available thereunder or assumes any responsibility for facilitating such subscription or sale.

## SOUTH AFRICAN TAXATION

---

*Capitalised words used in this section headed "South African Taxation" shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.*

***The comments below are intended as a general guide to the relevant tax laws of South Africa as at the date of the Programme Memorandum. The contents of this section headed "South African Taxation" do not constitute tax advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional advisers in this regard.***

### **Securities Transfer Tax**

The issue, transfer and redemption of the Notes will not attract securities transfer tax under the Securities Transfer Tax Act, 2007 (the **STT Act**) because the Notes do not constitute "securities" as defined in the STT Act. Any future transfer duties and/or taxes that may be introduced in respect of (or applicable to) the transfer of Notes will be for the account of holders of the Notes.

### **Value-Added Tax**

No value-added tax (**VAT**) is payable on the issue or transfer of the Notes. The issue, sale or transfer of the Notes constitute "financial services" as defined in section 2 of the Value-Added Tax Act, 1991 (the **VAT Act**). In terms of section 2 of the VAT Act, the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of a debt security as well as the buying and selling of derivatives constitute a financial service, which is exempt from VAT in terms of section 12(a) of the VAT Act.

However, commissions, fees or similar charges raised for the facilitation of the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of Notes that constitute "debt securities" as defined in section 2(2)(iii) of the VAT Act will be subject to VAT at the standard rate (currently 14 percent), except where the recipient is a non-resident as contemplated below.

Services (including exempt financial services) rendered to non-residents who are not in South Africa when the services are rendered, are subject to VAT at the zero rate in terms of section 11(2)(l) of the VAT Act.

### **Income Tax**

Under current taxation law effective in South Africa, a "*resident*" (as defined in section 1 of the South African Income Tax Act, 1962 (the **Income Tax Act**)) is subject to income tax on his/her worldwide income. Accordingly, all holders of Notes who are residents of South Africa will generally be liable to pay income tax, subject to available deductions, allowances and exemptions, on any income (including income in the form of interest) earned in respect of the Notes.

Non-residents of South Africa are subject to income tax on all income derived from a South African source (subject to domestic exemptions or relief in terms of applicable double taxation agreements). Interest income is derived from a South African source if it is incurred by a South African tax resident (unless it is attributable to a foreign permanent establishment of that resident) or if it is derived from the utilisation or application in South Africa by any person of funds or credit obtained in terms of any form of "*interest-bearing arrangement*". The Notes will constitute an "*interest-bearing arrangement*". The Issuer is tax resident in South Africa as at the Programme Date. Accordingly, unless the Notes are attributable to a permanent establishment of the Issuer outside of South Africa, the interest earned by a Noteholder will be from a South African source and subject to South African income tax unless such interest income is exempt from South African income tax under section 10(1)(h) of the Income Tax Act (see below).

Under section 10(1)(h) of the Income Tax Act (which is effective for all amounts of interest that accrue or will be paid on or after 1 July 2013), any amount of interest which is received or accrued (during any year of assessment) by or to any person that is not a resident of South Africa is exempt from income tax, unless:

- (a) that person is a natural person who was physically present in South Africa for a period exceeding 183 days in aggregate during the twelve-month period preceding the date on which

the interest is received or accrued by or to that person; or

- (b) the debt from which the interest arises is effectively connected to a permanent establishment of that Person in South Africa.

If a Noteholder does not qualify for the exemption under section 10(1)(h) of the Income Tax Act, an exemption from or reduction of any South African tax liability may be available under an applicable double taxation agreement. Furthermore, certain entities may be exempt from income tax. Investors are advised to consult their own professional advisers as to whether the interest income earned on the Notes will be exempt under section 10(1)(h) of the Income Tax Act or under an applicable double taxation agreement.

In terms of section 24J of the Income Tax Act, broadly speaking, any discount or premium to the principal amount of a Note is treated as part of the interest income on the Note. Interest income which accrues (or is deemed to accrue) to a Noteholder is deemed, in accordance with section 24J of the Income Tax Act, to accrue on a day-to-day basis until that Noteholder disposes of the Note or until maturity, unless an election has been made by the Noteholder, which is a company, if the Noteholder is entitled under Section 24J(9) of the Income Tax Act to make such election, to treat its Notes as trading stock on a mark-to-market basis. This day-to-day basis accrual is determined by calculating the yield to maturity (as defined in Section 24J of the Income Tax Act) and applying this rate to the capital involved for the relevant tax period. The premium or discount is treated as interest for the purposes of the exemption under section 10(1)(h) of the Income Tax Act. Section 24JB deals with the fair value taxation of financial instruments for certain types of taxpayers (**covered persons**) and applies in respect of years of assessment ending on or after 1 January 2014. Noteholders should seek advice as to whether these provisions may apply to them.

### **Capital Gains Tax**

Capital gains and losses on the disposal of Notes by residents of South Africa are subject to capital gains tax unless the Notes are purchased for re-sale in the short term as part of a scheme of profit making, in which case the proceeds will be subject to income tax. Any discount or premium on acquisition which has already been treated as interest for income tax purposes, under section 24J of the Income Tax Act will not be taken into account when determining any capital gain or loss. Under section 24J(4A) of the Income Tax Act an adjusted loss on transfer or redemption will, to the extent that it has previously been included in taxable income of the holder (as interest), be allowed as a deduction from the taxable income of the holder when it is incurred during the year of assessment in which the transfer or redemption takes place, and accordingly will not give rise to a capital loss.

Capital gains tax under the Eighth Schedule to the Income Tax Act will not be levied in relation to Notes disposed of by a Person who is not a resident of South Africa unless the Notes disposed of are attributable to a permanent establishment of that Person through which a trade is carried on in South Africa during the relevant year of assessment.

Purchasers are advised to consult their own professional advisors as to whether a disposal of Notes will result in a liability to capital gains tax.

### **Withholding Tax**

A final withholding tax on interest which will be levied at the rate of 15% will be introduced from 1 March 2015, applying to interest payments made from a South African source to foreign persons (i.e. non-residents), which are paid or become due and payable on or after that date. The legislation introducing this withholding tax contains certain exemptions (including an exemption for listed debt). South Africa is a party to double taxation agreements that may provide full or partial relief from the withholding tax on interest, provided that certain requirements are met.

### **Definition of Interest**

The references to "*interest*" above mean "*interest*" as understood in South African tax law. The statements above do not take account of any different definitions of "*interest*" or "*principal*" which may prevail under any other law or which may be created by the Terms and Conditions or any related documentation.

## **SOUTH AFRICAN EXCHANGE CONTROL**

---

*Capitalised words used in this section headed “South African Exchange Control” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.*

*The information below is intended as a general guide to the position under the Exchange Control Regulations as at the date of the Programme Memorandum. The Exchange Control Regulations are subject to change at any time without notice. The contents of this section headed “South African Exchange Control” do not constitute exchange control advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional advisers in this regard.*

### **Non-South African resident Noteholders and emigrants from the Common Monetary Area**

Dealings in the Notes and the performance by the Issuer of its obligations under the Notes and the Applicable Terms and Conditions may be subject to the Exchange Control Regulations.

#### **Blocked Rand**

Blocked Rand may be used for the subscription for or purchase of Notes. Any amounts payable by the Issuer in respect of the Notes subscribed for or purchased with Blocked Rand may not, in terms of the Exchange Control Regulations, be remitted out of South Africa or paid into any non-South African bank account.

#### **Emigrants from the Common Monetary Area**

Any Individual Certificates issued to Noteholders who are emigrants from the Common Monetary Area will be endorsed “*non-resident*”. Such restrictively endorsed Individual Certificates shall be deposited with an authorised foreign exchange dealer controlling such emigrant’s blocked assets.

In the event that a Beneficial Interest in Notes is held by an emigrant from the Common Monetary Area through the CSD, the securities account maintained for such emigrant by the relevant Participant will be designated as an “*non-resident*” account.

Any payments of interest and/or principal due to a Noteholder who is an emigrant from the Common Monetary Area will be deposited into such emigrant Noteholder’s Blocked Rand account, as maintained by an authorised foreign exchange dealer. The amounts are not freely transferable from the Common Monetary Area and may only be dealt with in terms of the Exchange Control Regulations.

#### **Non-residents of the Common Monetary Area**

Any Individual Certificates issued to Noteholders who are not resident in the Common Monetary Area will be endorsed “*non-resident*”. In the event that a Beneficial Interest in Notes is held by a non-resident of the Common Monetary Area through the CSD, the securities account maintained for such Noteholder by the relevant Participant will be designated as a “*non-resident*” account.

It will be incumbent on any such non-resident Noteholder to instruct the non-resident’s nominated or authorised dealer in foreign exchange as to how any funds due to such non-resident in respect of Notes are to be dealt with. Such funds may, in terms of the Exchange Control Regulations, be remitted abroad only if the relevant Notes are acquired with foreign currency introduced into South Africa and provided that the relevant Individual Certificate has been endorsed “*non-resident*” or the relevant securities account has been designated as a “*non-resident*” account, as the case may be.

The Issuer is established and resident in South Africa and as such is not required to obtain exchange control approval.

For purposes of this section, **Common Monetary Area** means South Africa, Lesotho, Namibia, and Swaziland.
